

Anderson Preparatory Academy

1st/2nd WINGS Supply List

WINGS students will be responsible for most of their own individual supplies throughout the year. As a result they don't need to bring in a vast amount of glue, crayons, etc. at the beginning of the year. Just know that you might need to purchase supplies during the year to replenish what your child has used. School supplies are cheaper during the back-to-school sales, so you might want to stock up early and keep extras at home until your child needs them.

Label these items:

Art box (Large enough to fit your child's crayons, scissors, markers, glue sticks and colored pencils)
