

APA parents/guardians.

APA uses a reverse notification system which will contact you with important information. Such information may include (but is not limited to) school cancellation, school delay, school lockdown, school functions, etc. Contact can be made by either a text message, a call to your cell phone, a call to your home phone, or by an email. You may select one or more of the contacts methods! Our system automatically recognizes if the phone number is a “land line” or a “cell phone.” All cell phones will receive both a voice call and a text message. You will have the ability to “opt out” of any of the notifications.

Please complete the following form, sign, date and return with your child to their Home Room teacher at APA.
